Title: <b>Animals in Buildings</b>	Page	1	of	1
Date Adopted: <b>10/22/08</b>	Date(s) Revised:			
 _____ President	 _____ Date			

## POLICY STATEMENT

In the best interest of the University and, for welfare of faculty, students, staff and visitors, it is the policy of National University of Health Sciences (NUHS) to prohibit animals in University buildings used for teaching, research, study, office work, retail and non-residential areas of student resident halls.

This policy does not apply to animals used for approved research or to service animals such as guide dogs.
